

OUR ECONOMY RELIES ON THE SUCCESS OF LOCAL BUSINESSES... AND THAT'S THE BUSINESS OF BSNB!

Tim & Bella Bachand
Burnt Hills Hardware

Hardware Made Easy.

We keep a sharp eye on the buying habits of our customers and adjust our inventory based on such factors as seasonality, pricing and quality. As a result, we don't use a "cookie cutter" approach to meet our customer's needs. So, when we considered the financial needs of our business, we weren't comfortable with the "one size fits all" approach offered by the bigger banks. We needed someone who really listened.

Solution: BSNB

We're both very happy with the business loans and deposit services that BSNB provides. They're a local bank that listens first, then responds with personalized financial solutions.

Commercial Lending • Remote Deposit
Deposit Services • Online Cash Management
