

OUR ECONOMY RELIES ON THE SUCCESS OF LOCAL BUSINESSES... AND THAT'S THE BUSINESS OF BSNB!

John Bove Jr.
Mechanicville Self Storage

To Build, or Not to Build.

I was diversifying my business, but I had a problem. My new self-storage facility could not be constructed in three phases as I had planned. My options for building were: All or nothing! When I approached the bigger banks for help, they did the calculations and said, "Sorry, no thanks". I was still committed to moving forward, but I needed someone who could see the bigger picture.

Solution: BSNB

BSNB is a local bank that shared my vision and supported my plans. After one meeting, I had my construction loan with the terms that fit my needs.
