

OUR ECONOMY RELIES ON THE SUCCESS OF LOCAL BUSINESSES... AND THAT'S THE BUSINESS OF BSNB!

A Developing Relationship

Since 1999, we've helped hundreds of businesses, entrepreneurs, and communities secure millions in economic development and project financing, creating thousands of jobs. The fiscal and economic impact studies we provide development firms are necessary elements in the investment approval process. With more projects in the pipeline, we need a bank who can help us meet the demand.

Solution: BSNB

BSNB shares the same enthusiasm to partner with us as we do with our clients. The term loan and line of credit that BSNB provided will allow us to expand our business to service the entire Northeast. And since we're always on a deadline, I rely on BSNB's on-line banking system to avoid costly downtime. This is one relationship I don't need to analyze!
