

OUR ECONOMY RELIES ON THE SUCCESS OF LOCAL BUSINESSES... AND THAT'S THE BUSINESS OF BSNB!

A 100,000 mile Relationship!

We earn our customer's loyalty by meeting their needs the first time - and every time. They depend on us to always have a wide inventory of top-quality pre-owned vehicles on our lot. It takes commitment on our part to accomplish this. I'm looking for the same level of responsiveness and commitment from my bank.

Solution: BSNB

In 1995, BSNB provided us with a line of credit and they've been with us ever since. With their support we've added a new showroom, purchased a Suzuki franchise and expanded into a new line of business. I rely on a full complement of BSNB services to keep our business running smoothly. With BSNB, I never have to check the rear view mirror to know my bank is there; right behind me!
