

# Business REFERRAL PROGRAM

**Refer a business to BSNB and you could both receive a cash reward\*!**

## Here's How...

1. Fill in this form with your information.
2. Give it to your contact and ask them to use it when opening a new business checking account at BSNB.
3. When they do, we'll deposit \$100 to your BSNB checking account. Your contact will earn \$50 for opening their account.

**\*Referring customer** - You must have a BSNB business checking account. The \$100 award will be deposited into your checking account within 60 days each time a referred business opens a qualifying checking account. **Referred business** - Earn \$50 for a new business checking account: Free Small Business Checking, Business Checking, or Business Interest Checking. Must perform 5 debit card transactions and maintain an average balance of \$250 within 45 days of account opening. Offer does not apply to second or multiple checking accounts owned by the same entity or for customers who have closed a checking account within the last 180 days. Referral award will be deposited into your new checking account within 60 days of opening the account. Account must be in good standing in order to receive referral award. Checking account must remain open for a minimum of six months or the referral award will be deducted from the account at closing. This limited time offer may be withdrawn or changed at any time. All standard account requirements apply. All cash referral awards may be subject to 1099 tax reporting. This offer may not be combined with any other offer. **Member FDIC**
