### Ballston Spa National Bank holds Renovation Celebration at Galway Office

BALLSTON SPA, NY – May 23, 2013—Ballston Spa National Bank hosted a ribbon cutting ceremony today at the bank's Galway Office located at 5091 Sacandaga Road. The ceremony marked the completion of recent renovations at this location and the start of a celebration that featured refreshments and a token gift for customers. In keeping with the renovation theme, special offers for home improvement loans, home equity lines of credit, mortgage loans and other bank services will be available to the public through mid-July.

The Galway office is one of five BSNB locations to undergo renovations this year. Originally opened in 1974, the location now offers the safety and convenience of a drive thru ATM, an updated look, and an enhanced banking experience.

"BSNB has been a proud member of the Galway community for some 39 years," stated Christopher R. Dowd, President and CEO. "With this investment, we hope to build on the strong relationships we have established over the years and to enhance the service and support we provide to our customers."

Renovation Celebrations at the Malta, Stillwater, Greenfield Center and Milton Crest Offices are scheduled for this June.
