BALLSTON SPA, NY—June 17, 2013—Ballston Spa National Bank hosted a ribbon cutting ceremony today at the bank's Greenfield Center Office located at 3060 Route 9N. The ceremony marked the completion of recent renovations at this location and the start of a celebration that featured refreshments and a token gift for customers. In keeping with the renovation theme, special offers for home improvement loans, home equity lines of credit, mortgage loans and other bank services will be available to the public through mid-July.

The Greenfield Center Office is one of five BSNB locations to undergo renovations this year. Originally opened in 1991, the location now offers an updated look and an enhanced banking experience.

"BSNB has been a proud member of the Greenfield Center community for some 22 years," stated Christopher R. Dowd, President and CEO. "With this investment, we hope to build on the strong relationships we have established over the years and to enhance the service and support we provide to our customers."

Renovations were also recently completed at the bank's Stillwater, Malta and Galway Offices. A renovation celebration at the Milton Crest Office begins this week as well.
