BALLSTON SPA, NY—June 6, 2013—Ballston Spa National Bank hosted a ribbon cutting ceremony today at the bank's Malta Office located at 124 Dunning Street. The ceremony marked the completion of recent renovations at this location and the start of a celebration that featured refreshments and a token gift for customers. In keeping with the renovation theme, special offers for home improvement loans, home equity lines of credit, mortgage loans and other bank services will be available to the public through mid-July.

The Malta Office is one of five BSNB locations to undergo renovations this year. Originally opened in 1974, the location now offers the safety and convenience of a drive thru ATM, an updated look, and an enhanced banking experience.

"BSNB has been a proud member of the Malta community since 1974," stated Christopher R. Dowd, President and CEO. "With this investment, we hope to build on the strong relationships we have established over the years and to enhance the service and support we provide to our customers."

Renovations were also recently completed at the bank's Galway Office. Renovation celebrations at the Stillwater, Greenfield Center and Milton Crest Offices are scheduled for later this month.
